To Whom It May Concern:

It is definitely a pleasure to be writing a letter on behalf of Eric Flores for the continued success of Apex Primary Care, Inc. Apex Primary Care incorporated in 1998 and has demonstrated the strength and ability to be the leader in primary care for the Rio Grande Valley. Apex Primary Care currently serves over 1,550 patients throughout south Texas with a support staff of 30 office personnel and 1,400 patient providers. The company has shown the attributes of an ongoing, successful enterprise which has created employment opportunities for our community as well.

Eric has always been known for his community involvement, genuinely caring for his patients and staff which have contributed to the success of his business.

As a Business Relationship Manager for Wells Fargo Bank, I am honored to recommend Eric Flores for the SBA Small Business Person of the Year.

Sincerely,
