Dear Ms. Sakulenski:

I am pleased to support the nomination of Mr. Eric Flores and APEX Primary Care as Business of the Year.

We here at Proyecto Desarrollo Humano have had the privilege of experiencing APEX's dedication to the community by their involvement in our annual free Thanksgiving dinner for the colonia residents in this area. Mr. Flores encouraged APEX volunteers who helped in the initial organizing of this event and then spent long hours on their feet as they served our people, cleaned tables, and did "trash patrol." All was done with smiles and graciousness.

Surely, what we experienced could not have been manufactured. It was too genuine! A business which fosters such a spirit certainly can stand as an example to all other businesses in our Valley. For this reason, I proudly support this nomination!

Sincerely yours,

Sr. Fatima Santiago, icm
